SHOWSTOPPER RULES: [Rules & Info | Showstopper](#)

CODE OF CONDUCT:

As you attend competition, please be mindful that you are representing Dimensions at all times. We ask that parents and dancers both present themselves with the utmost kindness, compassion, respectfulness, and professionalism. Please keep your cell phones on silent, be supportive of our dancers and respectful to others, wait until breaks between performances when entering/exiting the theater, and follow any other rules that the competition may have.

DRESS CODE:

All dancers are required to wear their new company uniforms (company jacket, company leggings, and company crop/tank) with their black company high top shoes when not in costume at competitions. This is what will be worn on stage for awards as well!

PHOTOS AND LIVESTREAM:

AUDIENCE MEMBERS ARE PROHIBITED FROM TAKING PHOTOS AND VIDEOS DURING THE COMPETITION. Failure to abide by this rule can result in disqualification for the studio. Professional photos and videos will be taken by the competition and will be distributed to all company dancers following the competition weekend.

VIEWING:

Entry to the competition is free. We encourage you to come watch and support our dancers - and invite your family/friends! There will also be a free livestream of the competition for those who cannot attend in-person. The livestream will become available upon the first day of competition at [Live Stream | Showstopper](#)

REHEARSALS:

If you are looking to schedule privates/rehearsals with your choreographer, please reach out to them directly. If your choreographer is unavailable, you are welcome to reach out to any of our other choreographers to rehearse/run/clean your dance. All privates should be booked through the DDA website portal: [Booking Services | Dimensions Dance](#)

CALL TIME:

Please refer to the attached spreadsheet regarding call times, performance times, and award times. **As a reminder, dancers are to arrive at the competition by their call time with hair and makeup already done.** The time between call time and performance is used to change into costume, warm-up, and prepare our dancers minds and bodies for performing. As a reminder, competitions often run ahead of or behind schedule. Please plan accordingly.

HOTELS:

Families may reserve hotel rooms at their own discretion. It is not mandatory to stay in a hotel during competition weekends, and families are to make their own arrangements. Hotel reservations can be made through the showstopper website by following this link: [Rolling Meadows, IL](#)

If you have any additional questions regarding this competition, please reach out to Miss Taryn or Miss Miranda directly.
